

THE 8 GRAN COUPÉ

Is size a physical dimension? Absolutely. But sometimes, rarely, a single encounter manages to make us feel what this term can really mean.

Things that only serve their purpose may take us further. But a new way of thinking is needed to get to where height, width and length create a feeling of absolute freedom.

When something is shaped in such a way that it captivates looks and arouses emotions, the inner values recede into the background. Unless they outdo everything else.

THE 8 GRAN COUPÉ.

840i Gran Coupé M Technic

Technical data	Motor: 340 hp/500 Nm Cylinder/cubic capacity: 6/2,998 cc Doors/Seats: 4/4+1	Colour: Metallic paintwork Upholstery: Leather 'Merino' Transmission: 8-Speed Steptronic Sport
